

## Web Conference Lunch-and-Learn

Sponsored by:

# Geosetta

*Monday, December 5, 2022: 1:15 pm to 1:50 pm EST*

## **Importance of Utilizing Historic and Open Data**

***Ross Cutts, P.E., M.ASCE- President of Geosetta***

*Geosetta is a nonprofit with the mission of providing the geotechnical profession access to historic public geotechnical data. This presentation overviews the importance of utilizing historical data and machine learning models for planning future site investigations.*
